You've FINISHED!

Milestone Courses should be taken in the order shown. This will help you stay on track and graduate on time.

This is a great time to **meet with your Career & Transfer Advisor** to learn what your next steps are.

Make Your Summer Matter. Summer is a great time to take some elective courses and get ahead.

General Advising Note

Students should choose business course electives based on their intended career path or may use these electives to explore a variety of different business interests to assist them in selecting a future career in business.

Career and Transfer Outlook

Upon completion of this program students are prepared to pursue many different business careers in a variety of industries, including manufacturing, marketing and sales, distribution, and service organizations. Graduates can begin careers as management assistants or trainees in a broad array of industries, including banking, insurance, manufacturing and investments. Although not primarily intended as a transfer degree, some students do continue on to a bachelor's degree program on a full-time or part-time basis.
