You've FINISHED!

Milestone Courses

should be taken in the order shown. This will help you stay on track and graduate on time.

Make Your Summer Matter.

Summer is a great time to take some elective courses and get ahead.

Helpful Hints

IDS 101 – First Year Experience is recommended for all incoming students. This one-credit course provides orientation to the college.

Career and Transfer Outlook

- UMass Lowell requires the Lab Science Option for the Liberal Arts and Science Degree: one science course must be a lab science and one can be a non-lab science.
- UMass Lowell requires four semesters of a World Language Course for Literature majors, so students planning to transfer to UMass Lowell are encouraged to complete at least two semesters of the same language as electives before transferring. Salem State does not have a language requirement for English majors.
