Helpful Hints

- IDS 101 – First Year Experience is required for all students in this program. This one-credit course provided orientation to the college and the student experience.
- THE/ENG 118 – Modern Drama is only offered in Spring semesters.
- ENG/THE 117 – History of Theater is only offered in Fall semesters.
- Students interested in skill acquisition for potential employment should look at the Performing Arts concentration – Theater Option, in Liberal Studies. Due to the intense nature of theater production, students should plan on at least two semesters at MCC without outside scheduling constraints.

Career and Transfer Outlook

Most students in the Fine and Performing Arts Theater Option continue their studies toward a bachelor's degree program in performance, production, administration or education. Graduates are also fully prepared to audition or interview in the highly competitive, professional marketplace, as well as in community theater. Some students enter the program to build a resume with MCC Theater Department productions to increase employment potential while continuing their studies. Students should check the requirements of the transfer institution and meet with career and academic/transfer counselors at MCC for specific program planning.
