Milestone Courses
should be taken in the order shown. This will help you stay on track and graduate on time.

General Advising Notes

Students should begin their Middlesex experience by taking the foundation-level courses (English and mathematics) along with Introduction to Communication Media (COM 101) and Message Design (COM 104).

Career and Transfer Outlook

Upon completion of this program students are prepared to pursue many different communication careers in a variety of fields, including television, radio, film, digital media, journalism, public relations, and social media. Although not primarily intended as a transfer degree, some students do continue on to a bachelor's degree program on a full- or part-time basis.
