### You've FINISHED!

#### Milestone Courses

should be taken in the order shown. This will help you stay on track and graduate on time.

#### Make Your Summer Matter.

Summer is a great time to take some elective courses and get ahead.

### Career and Transfer Outlook

- UMass Lowell requires the Lab Science Option for the Liberal Arts and Science Degree: One science course must be a lab science and the other may be a non-lab science.
- Salem State requires two literature courses from different time periods (a two-semester sequence such as Early and Modern American Literature or Early and Modern World Literature.
- UMass Lowell requires either four semesters of a world language, or two semesters of a world language plus three approved courses on the culture/history/literature/film related to that language, but taught in English.
- Salem State University requires four semesters of a world language, which students can begin completing at MCC or demonstrate proficiency by exam once they transfer.
