

Earn college credit for completion of noncredit courses

Are you a **high school student** unsure of what you want to study in college or what **career path** to begin after graduation? Middlesex Community College's **noncredit to credit coursework** can be your motivation.

MCC has created a **"College for Teens"** career development program where youth are able to **enroll in a Noncredit Youth Academy** and **earn college credit** along the way.

Please email career_training@middlesex.mass.edu or visit our website for our complete course schedule.
