POLICY

The Commissioner of the Board of Higher Education, subject to the approval of the Board of Higher Education, may make, and from time to time amend, personnel policies covering all groups of the Community College employees. This policy has been developed by the Massachusetts Community Colleges and the Board of Higher Education, pursuant to their respective authorities established at Mass. Gen. Laws Chapter 15A, Sections, 9 & 22.

Effective July 1, 2016, this Non-Unit Professionals Personnel Policies Handbook shall replace the Handbook previously approved and dated July 1, 2012 and shall remain in full force and effect until a successor Handbook is approved.

PREAMBLE

This policy for non-unit professional employees supersedes all prior applicable policies and procedures adopted by the Massachusetts Board of Higher Education inclusive of the fifteen Community Colleges and shall apply in full force and effect to all new and current employees within the Massachusetts Community College system. Board of Higher Education policies not covered in this Handbook shall remain in effect.

The rights afforded herein shall be construed to be in addition to those rights secured by State and Federal Laws and regulations.

This policy shall be applied by the President to govern employment conditions of non-unit professional employees, as defined herein.

CHAPTER I - FAIR PRACTICES

1.01 The Massachusetts Community Colleges recognize and affirm their commitment to the policy of non-discrimination with regard to race, color, religion, national origin, sex, sexual orientation, gender identity, age, genetic information, disability, or veteran status, pursuant to applicable state and federal laws. The Massachusetts Community Colleges recognize that when employment practices, regardless of intent, discriminate against any group of people on the basis of race, color, religion, national origin, sex, sexual orientation, gender identity, age, genetic information, disability or veteran status, specific positive and aggressive measures must be taken to redress the effects of past discrimination, to eliminate present and future discrimination, and to ensure non-discriminatory practices in all employment-related decisions

1.02 The policies and procedures stated herein shall be applied in conformance with the Board of Higher Education's policies on Affirmative Action, as it shall, from time to time, adopt.

1.03 Non-unit professional employees must be particularly sensitive to the problem of sexual harassment which may appear in subtle as well as aggressive forms. Using one's position or authority to coerce sexual favors, make unwelcome advances, or demeaning or suggestive remarks is unethical and in many instances illegal. Employees must not only guard against such conduct but should also make an effort to educate subordinates with regard to sexual harassment and protect employees, students and others from it. Complaints of sexual harassment are appropriately brought under the College's Affirmative Action Plan.

1.04 Non-unit professional employees will avoid outside employment or affiliations which are incompatible with their respective positions and the basic philosophy of the College; and will not act on College matters on the basis of personal interest or divulge confidential information to unauthorized persons.

Upon appointment the President shall state in writing whether the policies stated herein shall apply to said individual.

- C. A professional shall be deemed a probationary employee for the first twelve (12) months of employment in any non-unit professional position and may be dismissed at any time therein without cause and without giving reasons. This decision shall not be subject to Chapters XIV or XV.
- D. Each professional shall notify the President in writing of his/her intent to accept or reject a tendered appointment within ten (10) days of the notice of appointment. Failure of a professional to meet the ten (10) day deadline shall constitute a rejection of the tendered appointment.

B. Notice of Discontinuation of Appointment

Each professional shall be entitled to notice of the College's decision to discontinue an appointment in accordance with the following schedule:

1. During the first twelve (12) months of employment in any position, which constitutes a professional's probationary period, no notice is required prior to the effective date of Discontinuation of Appointment.

6.02 Funding

The Board of Higher Education agrees to contribute on behalf of each full-time employee equivalent an amount authorized by the Commissioner of the Department of Higher Education.

The contributions made by the Board of Higher Education shall be subject to funding by the General Court. Contributions shall not be used for any purpose other than to provide health and welfare benefits and to pay the operating and administrative expenses of the Trust Fund.

No dispute over a claim for any benefits extended by the Non-Unit Health and Welfare Trust Fund shall be subject to the complaint procedure set forth in Chapter XV.

6.04 Board of Higher Education's Liability

It is understood that the Board of Higher Education does not accept, nor shall it be charged with, liability to any professional claiming any benefit offered by the Non-Unit Health and Welfare Trust Fund.

CHAPTER VII - LEAVE CHAPTER

7.01 Sick Leave

A. Sick leave credit shall begin with the first full hour of employment, and accumulate at an hourly rate. Twelve (12) month employees shall be entitled to 112.5 hours (fifteen (15) days) of sick leave for each year of service; ten (10) month employees shall be entitled to 93.75 hours (twelve and one-half (12 1/2) days) for each year of service. For part-time employees (half-time or more), sick leave credits shall accumulate in the same proportion that employee's service bears to full-time service.

The employee shall accumulate at the rate of 0.057692 hours of sick leave per hour of employment [one and one-quarter (1 1/4) days of sick leave for each month of employment].

B. Sick leave not used in any year may be accumulated. No persons shall be entitled to a leave of absence with pay on account of sickness in excess of the accumulated sick leave then due except as provided in 7.02 (Sick Leave Bank).

C. Sick leave shall be granted in minimum units at the discretion of the President to an employee only under the following conditions:

1. When an employee cannot perform his/her duties because he or she is incapacitated by personal injury or illness;
2. When the spouse, child or parent of either an employee or his/her spouse, or a relative living in the immediate household of an employee, is ill, the employee may utilize sick leave credits up to a maximum of 75 hours (ten (10) days) per calendar year, except in cases of demonstrated medical emergency or life threatening/terminal illness in which case an employee may use up to 112.5 hours (fifteen (15) days).
3. When, through exposure to contagious disease, the presence of the employee at his/her work location would jeopardize the health of others;
4. To keep appointments with health care professionals. In such instances the normal requirement of advance notice will be at least five (5) working days. However, the parties recognize that an unforeseen complication may arise from a regularly scheduled appointment with such a health care professional.

D. For any period of absence on account of sickness, the President or the President's designee, may require a physician's certificate proving the necessity of such absence. If an employee fails to present such medical evidence within seven (7) working days after such request has been made by the College, the President or designee may at the discretion of the President treat the absences as absences without pay. Unauthorized absences may result in other employment actions up to and including discipline, termination, or the Discontinuation of Appointment.

E. The President or designee may require that an employee be examined by a physician of the employee's choosing and at the employee's expense following absence by reason of illness or injury for more than 75 consecutive hours (ten (10) consecutive working days). The sole purpose of such examination shall be to determine the employee's fitness to return to his/her regularly assigned duties.

An employee absent by reason of illness or injury more than 75 consecutive hours (ten (10) consecutive working days) shall provide the President with reasonable notice of his/her intent to return.

F. Sick Leave must be charged against unused sick leave credits in the minimum units allowed by campus attendance reporting procedures, but in no event may the sick leave credits used be less than the actual time off.

G. Any employee having no sick leave credits, who is absent due to illness, shall be placed, unless otherwise notified by the employee, on personal leave or if no personal leave credits then on vacation leave. Such leave shall be charged on the same basis as provided in subsection (F).

H. Any employee who is reinstated or re-employed after an absence of less than three (3) years shall be credited with his/her sick leave credits at the termination of his/her prior employment. An employee who is reinstated or re-employed after a period of three (3) years or more shall receive prior sick leave credits, if approved by the College President where such absence was caused by:

1. Illness of said employee;
2. Dismissal through no fault or delinquency attributable solely to said employee;
3. Injury while in the employment of the Employer in the line of duty and for which said employee would be entitled to receive Workers' Compensation Benefits.

I. An employee shall not accrue sick leave credits for any period in which he/she was on leave without pay or absent without pay.

J. Notification of absences under this Chapter must be given to the designated representative of the President as early as possible on the first day of absence and in conformance with College attendance policies. If such notification is not made, such absence(s) may, at the discretion of the President, be considered an absence(s) without pay.

K. No employee shall be entitled to sick leave under the provisions of this Chapter in excess of the accumulated sick leave credits due such employee, excluding sick leave bank provisions.

L. Employees whose service with the College is terminated shall not be entitled to any compensation in lieu of accumulated sick leave credits. Employees who retire shall be paid twenty percent (20%) of the value of their unused accrued sick leave based on the date of their retirement.

It is understood that any such payment will not change the employee's pension benefits. If, at the time of death of an employee, said employee was eligible to retire and receive a pension from the Commonwealth, then the surviving beneficiary, or beneficiaries, if any, lawfully designated under the State Employees' Retirement System, or the Optional Retirement Program, or if there are no such designated beneficiary, the estate of the deceased employee shall be paid twenty percent (20%) of the value of unused accumulated sick leave to the deceased employee's credit at the time of death, provided that no monetary or other allowance has already been made therefore. It is understood that any such payment will not change the employee's pension benefits.

M. Sick leave credits earned by an employee following a return to duty after a leave without pay or absence without pay shall not be applied to such period of time.

N. In calculating the daily rate of pay of any employee, the following formulas shall be used:

- (i) in the case of any employee whose work year is of a ten (10) month duration, the daily rate of pay shall be an amount equal to 1/215th of such employee's annual salary rate as such annual salary rate is on the date on which or in respect of which such calculation is required to be made;
- (ii) in the case of any professional whose work year is of twelve (12) months' duration, the daily rate of pay shall be an amount equal to 1/260th of such employee's annual salary rate as such annual salary rate is on the date on which or in respect of which such calculation is required to be made.

7.02 Sick Leave Bank

A. At each Community College there shall be established, or where currently established continued, a Non-Unit Sick Leave Bank.

B. An employee who is not a member of the Sick Leave Bank will automatically become so during the month of October. Seven and one-half hours (7.5 hours) of his/her sick leave accumulation will be assigned to the Sick Leave Bank. If an employee does not want to be a member of the Sick Leave Bank, that employee shall provide by October 30 written notice to the President or designee that the employee is not assigning to the Sick Leave Bank seven and one-half hours (7.5 hours) of that employee's personal sick leave accumulation. The President or designee shall maintain a register of the membership and the number of sick leave days accumulated in the Bank. Once contributed to the Bank, sick leave day(s) may not be withdrawn.

C. Whenever the accumulation of sick leave days in the Sick Leave Bank has fallen below one hundred and eighty-seven and a half hours (187.5 hours), the President or designee shall notify all members. Thereafter, seven and one-half hours (7.5 hours) from each member's accumulated sick leave shall be assigned to the Bank unless a member notifies the President or designee in writing within five (5) days of receipt of said notice that member does not wish to remain a member.

D. Five (5) working days following the exhaustion of a Sick Leave Bank member's accrued vacation, personal, and sick leave, every member of the Sick Leave Bank shall be entitled to draw upon the Sick Leave Bank, effective thereafter upon notice to the President. The granting of such sick leave shall be subject to the same criteria as regular sick leave days and shall be in all other respects consistent with Employer policy; provided, however, that such sick leave shall be available only for the illness of the employee and not for the illness of the employee's family members.

E. No professional may draw upon the Sick Leave Bank in excess of the number of days to which that professional is entitled as determined by College policy. Each College has the right and discretion to establish policies and protocols regarding access to, and use of, the Sick Leave Bank.

7.03 Paid Personal Leave

Effective January 1, 2017, each full-time professional on the payroll on the effective date of this Handbook shall be allotted thirty-seven and one-half hours (37.5) (five days) of personal leave each calendar year beginning January 1st of each year.

Personal leave may be available in units allowed by campus attendance reporting procedures and may be used in conjunction with vacation leave. All requests for personal leave must be made in advance and approved by the professional's supervisor.

7.04 Bereavement Leave

Upon evidence, satisfactory to the President or designee, of the death of a spouse, child or step-child, an employee shall be entitled to a maximum of seven (7) days of leave without loss of pay to be used at the option of the employee within thirty (30) calendar days from the date of said death.

Upon evidence, satisfactory to the President or designee, of the death of a parent, step-parent, brother, step-brother, sister, step-sister, grandparent, grandchild or parent of a spouse or person permanently residing in the immediate household, an employee shall be entitled to leave without loss of pay for a maximum of four (4) consecutive working days.

In the event that the interment of, or memorial service for, any of the above-named relatives is to occur at a time beyond the bereavement leave granted, the employee may request to defer one of the days to the later date. Such request shall be made at the time of notification to the President or designee of the death of one of the above named relatives, and may be granted at the discretion of the President or designee.

B. An employee who receives jury fees for jury service upon presentation of the appropriate court certificate of service shall either:

1. retain such jury fees in lieu of pay for the period of jury service, if the jury fees exceed his/her regular rate of compensation for the period involved; or
2. remit to the College the jury fees, if less than his/her regular rate of compensation for the period involved.

C. Jury fees for the purpose of this Chapter shall be the per diem rate paid for jury duty by the Court, not including the expenses reimbursed for travel, meals, rooms or incidentals.

D. An employee summoned as a witness in a court on behalf of the Commonwealth or any town, city or county of the Commonwealth or on behalf of the federal government shall be granted court leave with pay upon filing of the appropriate notice of service with his/her department head, except this section shall not apply to an employee who is also in the employ of any town, city or county of the Commonwealth or in the employ of the federal government or any private employee and who is summoned on a matter arising from that employment.

E. All fees for court services, except jury fees paid for services rendered during office hours, must be paid to the Commonwealth. Any fees paid to an employee for court services performed during a vacation period may be retained by the employee. The employee shall retain expenses paid for travel, meals, rooms, etc.

F. An employee on court leave who has been excused by the proper court authority shall report to his/her official duty station, if such interruption in court services will permit four (4) or more hours of employment. Court leave shall not affect any employment rights of the individual.

G. No court leave shall be granted when the employee is the defendant or is engaged in personal litigation, unless such litigation arises out of the legitimate performance of his/her assigned responsibilities.

7.07 Military Leave

A. An employee shall be entitled during the time of his/her service in the Armed Forces of the Commonwealth under applicable sections of Chapter 33 of the General Laws to receive pay therefore without loss of his/her ordinary remuneration as an employee.

C. A. All full-time non-unit professional employees of a Community College who are paid from the AA Account, and who have completed at least six (6) months of service as of the date of enrollment, shall be eligible for system-wide tuition remission benefits. Employees on paid leave of absence or Worker's Compensation leave remain eligible during the period of any such leave. Employees on unpaid leave shall remain eligible for a maximum of one calendar year. Former employees shall not be eligible; however, the spouse and dependent children of former or deceased employees may retain eligibility under certain conditions (See Sections C, D, and E below).

B. The spouse and dependent child or children or any eligible employee shall also be eligible for system-wide tuition remission benefits. A "dependent child" shall mean any natural, adopted, or stepchild who is claimed as a dependent on the eligible employee's Federal Tax Return for the tax year immediately preceding enrollment. No employee's child beyond the age of twenty-five (25) shall be eligible for tuition remission; provided, however, that in exceptional circumstances and for good reason the President of the public College or University granting the tuition remission may waive this age limitation for an employee's child who continues to meet the IRS standards of dependency.

C. If an eligible employee retires while a child or spouse is enrolled in a program of study or degree program, the child or spouse may complete such program with tuition remission provided that enrollment is continuous.

D. If an eligible employee who has completed at least five (5) years of full-time equivalent service dies, the surviving spouse and children shall be eligible to enter and/or complete one full program of study or degree program with tuition remission. The term "program" as used in this Section D and the above Section C shall include, but not be limited to, any program of study begun at a Community College and continued without interruption through the Bachelor's degree at a State College or University.

E. If an eligible employee leaves the employment of public higher education under conditions other than those described in C and D above while a spouse or child is enrolled in a course/program, the spouse or child may complete the semester already begun. At the end of the semester his/her eligibility for tuition remission terminates.

II. Applicability

Tuition remission shall be provided to eligible employees, their spouse and dependent children as follows:

- A. For enrollment in any state-supported course or program at the undergraduate or graduate level at any Community College, State College, or University, excluding the M.D. Program at the University of Massachusetts Medical School, full tuition remission shall apply.
- B. For enrollment in any non-state-supported course or program offered through continuing education, including any community service course or program at any Community College, State College, or University, fifty percent (50%) percent tuition remission shall apply.
- C. Tuition remission shall apply to non-credit as well as credit-bearing courses.

III. Limitations

- A. Employees (or their spouse or dependent children) receiving tuition remission are responsible for the payment of all other educational costs, including fees (application, laboratory, etc.), books, and supplies.
- B. Employees (or their spouse or dependent children) apply for admission and meet all admissions standards for the desired course/program.
- C. Admission to all courses/programs in continuing education is on a space-available basis. Further, each local campus administration reserves the right to cancel any continuing education course in which a minimum number of full tuition-paying students, as determined by the administration, have not enrolled.
- D. Tuition remission benefits are non-transferable.

IV. Certification Process

To qualify for tuition remission, an employee must take the following steps:

- A. Apply for, and be admitted to the desired course/program.
- B. Complete a "Certificate of Eligibility for System-wide Tuition Remission" and have it signed by his/her Department Head or Supervisor and by the Chief Personnel Officer of the College at which he/she is employed. If the tuition remission is to be used by the employee's spouse or dependent child, the name and relationship of this individual should be indicated on the Certificate. The Certificate should be completed as far in advance of the date of enrollment as possible.
- C. Submit the completed Certificate of Eligibility with his/her tuition bill to the College or University at which he/she plans to enroll. The employee (or his/her spouse or dependent children) must remit payment at the same time for costs not covered by tuition remission.

- D. It is the responsibility of the employee to insure that the Certificate of Eligibility is approved in a timely fashion. Retroactive tuition rebates will not be made except in unusual circumstances beyond the control of the employee.

V. Effective Dates

This policy took effect on September 1, 1984 and shall apply to any course or program beginning on or after that date.

VI. Continuation of Existing Benefits

The implementation of this policy shall not limit or preclude any tuition remission benefits currently enjoyed by higher education employees under the terms of applicable collective bargaining agreements or personnel policies.

VII. Interpretations of this Policy

The Commissioner, or designee, shall have the sole authority to resolve any dispute concerning the interpretation and application of this policy. The Commissioner may amend or modify this policy from time to time.

No dispute or claim of benefits arising from this policy shall be subject of this Handbook's Complaint procedure.

ADDENDUM (PART-TIME EMPLOYEES)

This Addendum to the Board of Higher Education's System-Wide Tuition Remission Policy describes the eligibility requirements and applicability of tuition remission benefits for certain part-time employees in higher education.

I. Eligibility

- A. All regular part-time employees who are not members of a collective bargaining unit, who work at least one half of the hours of a full-time position, who are paid from the 01 or 02 Subsidiary Account, and who have completed at least six months of full-time equivalent service as of the date of enrollment, shall be eligible for system-wide tuition remission benefits.
- B. The spouse and dependent child or children of any eligible part-time employee shall also be eligible for system-wide tuition benefits. The age limitation and IRS dependency standards set forth in the Board of Higher Education's System-Wide Tuition Remission Policy shall apply to children of eligible part-time employees.

II. Applicability

Tuition remission shall be provided to eligible part-time employees, their spouse and dependent children as follows:

- A. For enrollment in any state-supported course or program at the undergraduate or graduate level at any Community College, State College, or University, excluding the M.D. Program at the University of Massachusetts Medical School, fifty percent (50%) tuition remission shall apply.
- B. For enrollment in any non-state-supported course or program offered through continuing education, including any community service course or program, at any Community College, State College, or University, twenty-five percent (25%) tuition remission shall apply.
- C. Tuition remission shall apply to non-credit as well as credit-bearing courses.

In all other respects, the provisions of the Board of Higher Education's System-Wide Tuition Remission Policy shall be of application to eligible part-time employees.

Performance Improvement Plan

The Performance Improvement Plan (PIP) is designed to facilitate constructive discussion between a staff member and his or her supervisor and to clarify the work performance to be improved. A plan is developed by the supervisor, with input from the employee, in order to assist the employee in improving his or her performance in specific areas or overall. Although a PIP is designed to be used when an employee receives a “Below Expectations” or “Partially Meets Expectations” on the Overall Performance Rating, a supervisor may elect to use a PIP in other circumstances where an employee’s performance could benefit from an improvement plan.

The PIP shall be in writing, maintained in the employee’s personnel file and shall include specific and reasonable performance goals and expectations with a timetable for implementation and achievement.

In all cases, it is recommended that the supervisor’s supervisor and the Human Resources department review the plan. This will ensure consistent and fair treatment of employees across the college. The supervisor will monitor and provide feedback to the employee regarding his or her performance on the PIP. The employee may be subject to discipline, up to and including termination, if he/she fails to demonstrate improvement in accordance with the PIP.

To develop the Performance Improvement Plan, the supervisor and the employee will:

- 1) Identify the **“Employee’s Key Responsibilities.”** These key responsibilities are identified via careful review of the job description and/or job to be accomplished. The professional must competently perform these responsibilities in order to be successful in the position.
- 2) Outline the **“Performance Improvement Plan.”** The plan will address the supervisor’s performance improvement expectations of the employee. If applicable, the PIP shall specify any additional training and/or support that will be provided to the employee during the PIP period.
- 3) Describe **“Success Criteria.”** Success criteria describes how successful performance will be measured, or how the supervisor will evaluate successful work completion.
- 4) Create a **“Timeframe.”** The timeframe indicates the supervisor’s expectations for when the employee shall competently perform certain key responsibilities of his/her job.
