Notes:

Percentages may not add up to 100% in each category due to missing data and/or rounding.

All population data are those reported by institutions for the most recent IPEDS enrollment report.

Respondents include only data used in the national CCSSE analysis. Some data were excluded in accordance with CCSSE data exclusion rules.

¹ Labels present the categories used on CCSSE / used by IPEDS.

² IPEDS does not report "Other" and "I Prefer Not To Respond." Therefore, your population, size group population, and cohort population cells are coded "N/A."
