The screenshot displays the Blackboard user interface. On the left is a dark navigation panel with icons and labels for 'Roxanne - Admin ...', 'Activity Stream', 'Courses' (highlighted with a red box and the number 1), 'Organizations', 'Calendar', 'Messages', 'Grades', 'Tools', 'Admin', and 'Sign Out'. The main content area is titled 'Fall 2020' and contains a grid of course cards. The first card, '14106.202009 Fall 2020 Computer Applications (CAP-101-300)', has a red box with the number 2 in its top right corner. A context menu is open over this card, showing three options: 'Edit course image', 'Open course' (which is highlighted with a red box and the number 3), and 'Hide course'. Below this card are two more course cards: '10912.202009 Fall 2020 Computer Applications (CAP-101-32)' and '10590.202009 Fall 2020 Dental Assisting (DAS-102-300)'. Each card includes a course ID, title, a link to 'Multiple Instructors', and icons for information and favorites.
