

AGREEMENT FOR ARTICULATION BETWEEN ENDICOTT COLLEGE AND
MIDDLESEX COMMUNITY COLLEGE

Endicott College (located in Beverly, Massachusetts) and Middlesex Community College (located in Lowell and Bedford, MA) hereby enter into an agreement to facilitate the transfer of students completing the Associate of Science Degree with a major in Nursing at Middlesex Community College into the bachelor's of science degree with a major in Nursing at Endicott College.

This agreement applies to graduates of Middlesex Community College who have an Associate of Science in Nursing and who have been admitted to the Endicott College Bachelor of Science degree program with a major in nursing. After completion of the student's program of study and the earning of an unrestricted license, the student may apply to Endicott College and if accepted, a total of 85 credits from the following courses will be applied to their program of study at Endicott. Courses must carry grades of C or better.

Middlesex Community College Courses

ENG 101 English Composition I
PSY 101 Intro to Psychology
BIO 235 Intro to Microbiology
BIO 231 Anatomy & Physiology I
BIO 232 Anatomy & Physiology II
MAT 177 Statistics (if taken)
BIO 108 Nutrition (if taken)

Endicott College Courses

ENG 101 College Writing Seminar
PSY 100 General Psychology
BIO 207&207L Microbiology
BIO 201&201L Anatomy & Phys. I
BIO 202&202L Anatomy & Phys. II
MTH 126 Applied Statistics
PE 210 Nutrition

Students will be granted 39 credits in nursing if the following courses were completed at Middlesex Community College with a grade of "C" or better.

Middlesex Community College Courses

NUR 101 & 102 Fundamentals of Nursing
and practicum
NUR 155 & 156 Intergenerational Nursing
and practicum
NUR 205 & 206 Nursing Care of the Adult I
and practicum
NUR 255 & 256 Nursing Care of the Adult II
and practicum
NUR 260 Nursing Issues
NUR 160 Pharmacology for Nurses

Endicott College Courses

NU 210 Fundamentals of Nursing
NU 313 Care of Childbearing Fam.
NU 314 Care of Children
NU 211 Care of Adults
NU 311 Psychosocial Nursing
NU 410 Acute Care Nursing
NU 307 Pharmacology

Of the remaining 41 credits needed to complete the 126 credits for degree completion, 30 credits must be earned at Endicott College to satisfy residency, including the following upper level nursing courses:

NU 305 RN Role Transition	3 cr.
NU 302 Health Assessment	4 cr.
NU 306 Nursing Research	3 cr.
NU 400 Nursing Internship & Seminar	5 cr.
NU 408 Nursing Leadership & Management	3 cr.
NU 411 Community Health Nursing	4 cr.
NU 489 Senior Thesis I	3 cr.
NU 490 Senior Thesis II	3 cr.

Additionally, students must complete the following core requirements to earn a Bachelor of Science degree with a major in nursing. These courses may be transferred in from Middlesex Community College if an equivalent course was taken there.

PSY 110 Lifespan
 BIO 335 Pathophysiology

General Electives:

In order to fulfill the Endicott College general education requirements, students must complete one course (three credits) from each of the eight thematic categories listed below. In addition, students must complete four general electives outside of their major and concentration requirements. These four electives, two of which must be above the 100 level, may be taken from the thematic categories or from other areas of the College wide curriculum. The general electives as well as the courses associated with the thematic categories may be used to fulfill minor requirements.

Individual and Society ¹	3 cr.
¹ (PSY 101 satisfies this elective)	
Global Issues	3 cr.
Literary Perspectives	3 cr.
Values and Ethical Reasoning	3 cr.
Aesthetic Awareness and Creative Expression	3 cr.
Quantitative Reasoning ²	3 cr.
² (MTH 177 satisfies this elective)	
Science and Technology ³	3 cr.
³ (BIO 108 satisfies this elective)	
World Cultures	3 cr.
4 Free Electives ⁴	12 cr.
⁴ (2 = 100 level, 2 = 200 level or above)	

The program of study is described in Addendum A. General Education electives are listed in Addendum B.

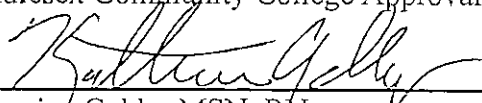

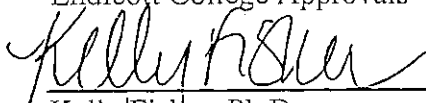

Non-credit nor remedial courses determined to be below college credit will not be accepted for transfer.

After successful completion of a minimum of 126 credits, including all required courses, and having been cleared for graduation by Endicott's Registrar, the RN students will be eligible for the Bachelor of Science degree with a major in Nursing.

This agreement is expected to continue indefinitely but may be terminated by either party with one year's notice.
